BRABUS SHADOW 1000 SUN-TOP SIGNATURE EDITION

The BRABUS Shadow 1000 Sun-Top Signature Edition represents the perfect combination of luxury, innovation and uncompromising performance. Built in collaboration with Axopar Boats and powered by twin Mercury Racing 500R V8 outboard engines, this exceptional day cruiser delivers a combined 1,000 HP and exhilarating performance on the water. Designed with BRABUS' unmistakable Black Ops styling, she offers premium craftsmanship throughout, from the carbon-inspired helm to the luxurious upholstery and spacious social areas. The intelligent layout provides generous exterior seating, a large sun lounge, protected cockpit and a beautifully finished cabin with overnight accommodation.

KEY FEATURES

- Twin Mercury Racing V8 500R outboards — 1,000 HP total
- Approx. top speed of 60+ knots
- BRABUS Black Ops edition, signed edition plaque
- Electrically opening Sun-Top roof
- Simrad Glass Helm + Halo 20+ radar
- Side-Power SE60 bow thruster
- Premium JL Audio sound system
- Onboard Wi-Fi connectivity
- Foredeck sun lounge & versatile cockpit seating
- Luxury cabin with overnight accommodation
- Only 15 engine hours
- Available for viewing in Nessebar, Bulgaria

AZIMUT 68 FLY

68 FLY AZIMUT | 2027

ASKINGPRICE: €2,990,000

AZIMUT FLY 68

ABOUT

The Azimut Fly 68 combines sculptural elegance, intelligent versatility and advanced yacht design. Her sleek exterior lines were created by Alberto Mancini, whose automotive-inspired approach brings fluid surfaces, bold proportions and a distinctive contemporary character to Azimut's design language.

Designed for effortless social living, the Fly 68 offers highly adaptable exterior spaces. The cockpit's convertible seating expands into generous sunpads, while the flybridge is arranged as three connected yet distinct areas for sunbathing, dining and relaxing. A fully equipped bar, an alfresco dining table for up to eight guests and a sunbed beside the helm create an exceptional open-air environment.

Inside, Achille Salvagni's elegant design blends flowing furniture, light brushed oak, natural textiles and refined mahogany details. Owners can choose from three main-deck configurations, including the sophisticated semi-enclosed Lanterna galley and more informal open-plan arrangements. Each layout has been conceived to maximize natural light, privacy and the connection between interior and exterior spaces.

The owner's suite continues this sense of understated luxury with soft forms, muted colors, plush carpeting and a spa-inspired ensuite bathroom. Together with innovative technology and carefully considered multifunctional spaces, the Fly 68 delivers a refined onboard experience shaped around comfort, conviviality and contemporary living

KEY FEATURES

- Sculptural exterior design by Alberto Mancini
- Sophisticated interiors by Achille Salvagni
- Three adaptable main-deck layout options
- Multifunctional cockpit with convertible seating and expanded sunpads
- Three-zone flybridge for sunbathing, dining and socializing
- Alfresco dining table for up to eight guests
- Fully equipped flybridge bar and barbecue area
- Flexible galley arrangements connecting indoor and outdoor dining
- Light brushed oak, natural textiles and glossy mahogany details
- Full-beam owner's suite with a spa-inspired ensuite bathroom
- Abundant natural light, privacy and seamless indoor-outdoor living

AZIMUT GRANDE 27 METRI

M/Y ESCAPE | 2023

ASKING PRICE: €5,950,000

ABOUT

ESCAPE is a highly specified 2023 Azimut Grande 27 Metri, combining compact-superyacht volume with confident 28-knot performance. Extensive use of carbon fibre supports generous interior space and responsive handling, while Stefano Righini's exterior lines and Achille Salvagni's interior architecture create a distinctly Italian balance of drama and restraint.

Her five-cabin arrangement welcomes up to ten guests. A full-beam owner's suite occupies the main deck, framed by panoramic glazing and complemented by a marble-lined ensuite. Below deck, two VIP cabins and two further guest cabins provide privacy and comfort, with two crew cabins supporting discreet professional service.

Outdoor living is central to the design. The expansive flybridge combines a Jacuzzi, wet bar, barbecue, dining and lounge zones beneath electric awnings. The aft deck is arranged for relaxed dining, while the beach-club style stern and tender-launching system create an effortless connection to the water.

Recently fully repainted, ESCAPE presents in fresh, turnkey condition. Advanced stabilization, SIMRAD navigation, a Savant smart-home system, sixteen underwater lights and an extensive entertainment package complete a yacht specified for immediate, sophisticated cruising.

KEY FEATURES

- Recently fully repainted - fresh, turnkey presentation
- Five-cabin layout for up to ten guests
- Full-beam main-deck owner's suite
- Twin MAN V12 engines, 1,900 hp each
- Maximum speed up to 28 knots
- Stabilizing fins and stern thruster
- Flybridge Jacuzzi, wet bar and barbecue
- SIMRAD Gold navigation, radar and fishfinder
- Savant smart-home system with Alexa integration
- Sixteen underwater lights
- Williams 415 Turbo diesel tender and Sea-Doo RXP-X 300
- Very low engine hours
- Located in Varazze, Italy
